Our Mandate

BY ESTHER NAKYALA SERWADDA
C.E.O-WORLD TRUMPET MISSION

Shalom Brethren,

I greet you all in the name of our Lord Jesus Christ. I bring you greetings from our Global Overseer Dr. John W Mulinde.

While 2021 still remains challenging in our Ministry, professional and personal lives, our mandate to blow the Trumpet to prepare the nations for the day of the Lord has become even more urgent. Despite the social distancing requirements and difficult travel across nations, our evening, lunch hour and Sunday services are live-streamed daily on the Dr. John Mulinde Facebook and Youtube platforms. The 24hour prayer watches are ongoing at the Nations Prayer mountain Seguku . We have joined the rest of the nations on the Altar of Prayer to pray for Israel and have a live stream prayer for the leaders every Friday on our social media pages. I remind you to always pray for the peace of Israel, for Uganda and Dr. John W Mulinde's health. We extend our heartfelt sympathy to those that have lost loved ones and continue to pray for healing for the sick. Even with the newly instituted lock down in Uganda,

I pray that when this season ends, we will have a renewed emphasis on the faithfulness of God and on seeking his kingdom and his righteousness above all, and have a greater reliance on the cross, resurrection, and power of the Holy Spirit.

Your Security at the Mountain

BY BARBRA NABULERE OBAI
GRANTS MANAGER-WORLD TRUMPET MISSION

Security at the Nations Prayer Mountain is paramount. We have security guards on the premises to keep law and order right from the main entrance and throughout the mountain.

Our guards are dressed in uniform for proper identification and offer help to all members.

The security provided doesn't include who you interact with while at the mountain. It's paramount that you are conscious of who you associate with while here.

Nations Prayer Mountain has pastors who provide daily prayer and counseling sessions under the Prayer department. **(You can inquire at the reception)**

Please note that Nations Prayer Mountain pastors do not walk around asking you if you need prayer. Anyone who approaches you or solicits money for prayers isn't part of us, report such cases to the administration office, and you should be conscious when dealing with them to avoid cases of fraud.

Covid 19: Aftermath

BY PETER KAHIGIRIZA
IT OFFICER-WORLD TRUMPET MISSION

COVID 19 has disrupted various services in this country and is still here with us. Worship in the church premises is to follow SOPs.

As World Trumpet Mission, we have implemented the standard operating procedures at our worship centers at the Trumpet Center in Kampala and the Prayer Mountain in Seguku.

We encourage worshippers coming to the Trumpet Centers to wear a mask at all times, wash hands at the washing points available and practice social distancing. Together we can help stop the spread of covid-19.

STAY SAFE
