"Blow the trumpet..... for the day of the Lord is at hand.."

JOEL 2:1

A word from the editor

BY OBAI NABULERE BARBRA

Shalom brethren;

We have come to half the year, and this part of 2022 was fulfilling and uplifting to our faith here at World Trumpet Mission to believe and rely on the Lord, especially during the treatment of our Overseer Dr. John Mulinde in India.

Thank You for standing with the ministry both financially and Spiritually. Dr. John is back with us in Uganda and is recovering.

The ministry has had several missions within the country, planting churches and winning souls for the Lord, as part of its mission to blow the Trumpet..... for the day of the Lord is at hand. Our congregation is encouraged to prepare for the day of the Lord by Creating family Alters which is a place of family devotions, deliverance, and transformation. The family altar is a powerful place to prophesy over children and release them into their prophetic

destinies in life as shown in Genesis 24:58-60 where Rebecca's family prophesied her destiny.

Our Kampala Trumpet Centre has moved to a new location at Kampala Road above BATA and opposite Bank of Uganda from Market Plaza. Our services and programs remain the same. You can come and join us when in the Central Business District (CBD)

The Prayer Mountain has seen several developments (New Constructions, Road repairs) made possible by our partners. Your support has pushed the administration Team to work hard, leading them to accomplish many goals.

Want to be a Partner in the ministry? Contact us at the numbers below.

Come and Be part of the change.

Bible Marathon: Season 6

by Ps. Joseph Kamara

Bible marathon is the bible reading challenge that prepares one to enroll in the JMTA academy.

A Bible has the old and New Testaments, with 66 bible books and 1180 chapters. This Bible Marathon has three options to choose from;

Option 1: 40 Chapters in 30 days.

Option 2: 60 Chapters in 19 days.

Option 3: 80 Chapters in 15 days.

The benefit of the Bible Marathon:

The benefit of the bible marathon to participants is to develop a suitable mode to read the bible and read the story of God to know His nature and character (Hos.4:6a),(Eph.3:10, Dan.11:32b).

Share at least seven revelations on the nature and character of God on either the WhatsApp platform or the academy website

<http://jmta.worldtrumpetmission.org/>

After the book of 2Chronicles, participants share a summary report of how the reading has impacted them in writing, audio, or video recording, and another summary at the end of the old testament before starting the new testament

After completing the Bible Marathon, participants fill in an assessment form to qualify for the John Mulinde Trumpet Academy (JMTA).

Throughout the Marathon participants read through fellow participants' revelations posted daily for learning purposes and meaningful discussion.

During the marathon, participants can present their prayer requests to the members about the difficulties faced during the bible marathon.

Prayer Mountain Road Rehabilitation

by Agnes Kantengwa

This year World Trumpet Mission and Seguku Community leadership embarked on rehabilitating the road from the junction to Prayer Mountain. We have completed the first phase of the construction of trenches and grading. Our appreciation goes to the Prayer Mountain partners who have contributed funds for the rehabilitation of the Prayer Mountain Road.

The final phase is tarmacking of the road. Let us join our hands to realize this goal.

Developments at Prayer Mountain Seguku

by Peter Kahigiriza

Over the past few months, the Nations Prayer Mountain has seen a couple of developments. These much-needed developments include:

Grading the driveway from the checkpoint to the reception

If you have been to the Nations Prayer Mountain and have experienced a bumpy drive from the checkpoint to the reception, I have good news for you, as this is not the case anymore. The driveway has been graded and is ready for tarmac.

All this has been made possible by your generous giving to the cause. World Trumpet Mission is grateful to thank our partners for their unending support.

Our partners supported the construction of the female and male dormitory with a capacity of 50 people per night.

The Mountain received a gate donation for its entrance. Our partner Silvia Schlatter together with the team from Switzerland, have sponsored the construction of The Lord Craft Nest (Center for economic empowerment projects for WTM Ministers) and Prayer department office(Including Counselling Rooms, JMTA offices, and Minister's lounge)
