

## VACANCY ANNOUNCEMENT

**Vacancy Title:** SOUND TECHNICIAN

**Organization:** World Trumpet Mission, Located at the Nations Prayer Mountain, Seguku

<b>Job Title :</b>	Sound Technician
<b>Scale:</b>	WTM 7 L
<b>Reports to:</b>	Production Manager
<b>Responsible for:</b>	Audio Engineers, Assistants, and Sound Crew
<b>Job Purpose:</b>	To ensure high-quality audio production for media content, live broadcasts, and events by managing sound equipment, recording, and editing.

### KEY RESPONSIBILITIES:

- Set up and operate audio equipment for recording and live productions.
- Mix and edit sound for optimal clarity and quality.
- Troubleshoot sound issues and ensure seamless audio-visual synchronization.
- Maintain and upgrade sound equipment as needed.
- Work closely with the production team to achieve the desired audio output.
- Ensure compliance with sound regulations and technical standards.

### **Person Specification:**

#### **1. Qualification:**

- Diploma or Bachelor's degree in Audio Engineering, Sound Design, or a related field.
- Certification in sound mixing and production software is an added advantage.

#### **2. Experience:**

- At least 3 years of experience in sound engineering or live audio production.
- Experience with mixing consoles, microphones, and digital sound processing tools.

#### **3. Competencies:**

A. Ministry & Leadership Competencies

- Strong teamwork and collaboration skills.
- Attention to detail and problem-solving abilities.
- Ability to work in high-pressure environments.

#### B. Business & Operational Competencies

- Proficiency in audio editing software (e.g., Adobe Audition, Pro Tools).
- Strong understanding of acoustics and sound equipment.
- Ability to manage multiple projects and meet deadlines.
